# Superior Performance.

Your new subscription to *The Value Line Investment Survey* will put our proprietary Ranking System, along with analyst commentary and 3- to 5-year stock price projections, at your fingertips for approximately 1,700 of the most actively traded stocks. All the familiar stocks mentioned in the news are covered here — plus hundreds you may have never run across.

The stocks we choose for *The Value Line Investment Survey* are widely traded issues, many of which will fit well in your portfolio, regardless of your investment approach.

As a subscriber, you'll receive a new issue of *Ratings & Reports* every week — the same convenient single page stock reports for each company that you get in *The Value Line 600*. You'll also receive our concise, well-informed economic view, five model portfolios, and many more features every week.

## How powerful is *The Value Line Investment Survey*? The proof is in the performance.

From December 30, 1988 to December 9, 2016, the S&P 500 Index returned a cumulative 715%, while the Dow Jones Industrial Average returned 810%.

During the same time, stocks ranked 1 or 2 for Timeliness™ returned a cumulative 3,665%\*, an annualized return of 13.9%. **A \$10,000 investment in our basket of 1 and 2 ranked stocks would have grown to \$376,489.\***

In this era of global uncertainty and market turmoil, isn't it time you took full advantage of Value Line's legendary research and Ranking System?

\*Arithmetic averaging, Rank 1 and 2 stocks, from December 30, 1988 through December 9, 2016, allowing for weekly changes and excluding commission costs and dividends.
